**'the theological significance of chance alicemurray**

May 4th, 2019 - chance is an important element  
in our experience of reality be it expressed in  
coincidences unpredictability natural variation  
within a population or the uncertainty  
principal of quantum physics however chance is  
not purely random it is constrained by an  
envelope of possibilities apart from pure  
coincidence where two or more series of causal  
chains intersect to give an unpredictable'
