May 16th, 2020 - 5 0 out of 5 stars madness a brief history reviewed in the united kingdom on 30 january 2014 verified purchase an excellent introduction as the guardian review stated brief but fruitfully dense porter was an enthusiast and ted writer his personal quips and ment bring the history alive a worthy introduciton to a fascinating subject'

'madness a very short introduction by andrew scull

May 30th, 2020 - it s more centred on the evolution of treatment and care than the ever changing perception of mental illnesses in society at large although there is a quick chapter on how madness has been depicted in art paintings literature movies so it might not be as deep in its scope as said madness a brief history but it still is a fascinating read"
