**Genius Kitchen**

May 5th, 2018 - I  
learned this up in  
Kenai Alaska from an  
old guy named Swede  
who had spent 30  
some summers up  
there salmon fishing  
and smoking It is great  
for salmon or any  
other fairly strong oily  
fish" **Baking 101**

May 4th, 2018 - All  
ovens are not created  
equal Even the most  
faithful of ovens can  
burn you and your  
culinary ambitions by  
suddenly heating to a  
temperature different  
than what was

**December 8th, 2010 -  
The problem with a  
cheesecake  
comparison is that  
so much of what  
makes a cheesecake  
perfect especially a  
New York  
cheesecake is its  
texture and the  
texture depends so  
much on the baking  
technique and the  
baking technique will  
vary depending on  
the pan size So the  
only really fair
