***dragon ball super is better  
than z screenrant***

*May 26th, 2020 - dragon ball  
z is hardly lacking in edy  
but dragon ball super has  
definitely ramped the humor  
up a few notches the  
returning cast is just as  
reliable as ever specifically  
vegeta who in unrelated  
scenes is forced to dance in  
front of the entire group and  
caught sucking on a pacifier  
but super rarely misses an  
opportunity to flesh out its  
new characters with ic  
relief'*
