spirituality

May 16th, 2020 - photography fixes an  
image stops the world so that we have  
time to notice what we might not have  
noticed before seeing what has  
previously been invisible to us is an  
essential part of the spiritual life'

'in defense of the present tense  
literary hub

May 26th, 2020 - so present tense can  
relieve a writer of that burden if it  
feels burdensome but i like my  
present tenses full of the past if  
possible not as a flashback mind you  
i like my present tenses to  
acknowledge that the person in the  
present tense did not e into  
existence in this moment and that a  
whole world of time exists behind  
them and props them up even if it is  
never directly mentioned'
