'what does a wolf den look like the  
human footprint

May 31st, 2020 - a friend of mine  
stumbled upon a wolf den with pups

---

---

while shed hunting a month ago the pups were about four weeks old he said apparently his inadvertent presence caused the wolves to move their pups to another location for although i put my trail camera on the den site i never saw any activity and only got this one photo of a male wolf returning to the area to investigate' 'wolf s den a wiki of ice and fire
